After a pot-luck supper a film "Our Beautiful America" was shown to our members by Mr. Cox, Monterey Co. ~~Deputy Sheriff~~ ~~Litter Officer~~ He was presented by Sis. Simmons after group singing of "America the Beautiful." This film, besides showing us beautiful scenery also showed how this beauty was destroyed by litter thrown by careless people. After the film Mr. Cox gave an interesting and instructive talk on the problem of litter along our highways. He also asked if the Grange would write the Richfield Oil Co. and inform them that the film had been shown at ^{our} their meeting and ask if it would be possible for the Co. to make a reproduction in a size that could be shown at theaters, thus bringing it before thousands more people!

It being late the meeting was not called. A round table discussion was held. The ex-comm. signed the bills and ordered warrants drawn and bills paid.

Aromas Grange celebrates 50th birthday with party

Mary Nicholson, 50 year charter member of the Aromas Grange, was honored during the Grange's 50th anniversary party Saturday at the Grange hall.

Miss Nicholson was escorted to the state master, J. B. Quinn, who presented her with the 50 year golden sheaf pin and a certificate of service for her 50 years of Grange work.

In observance of the Grange's 50th birthday, she later traced the history of the Grange, starting with its founding in 1913 and the early days when Grangers met at the Yoeman hall. In 1923 the present Grange hall was built. Miss Nicholson spoke of Aromas Grange community and service projects conducted over the years

and amusing features of the Grange.

Past masters of the Grange introduced and honored were Walter Smith, Frank Della Vedova, Bernice Bell, Alice Lewis, Lucille Peyton and Karl Klauman. Aromas Grange members who have served for 25 years or longer also were feted.

Klauman showed an exhibition of early grange regalia along with old pictures of the Grange and state convention of 50 years ago.

Quinn spoke on the value of Grange membership. Other visiting officers introduced were Chester Deaver, state overseer; William Davis of Auburn, state gatekeeper; Mrs. Russell Spain, state pomona;

her husband who is district deputy of Santa Cruz County and Horace Fleming of Monterey County. Other Grange masters and representatives were from New Hampshire, Gilroy, San Juan Bautista, Hollister, Prunedale, Marina, Monterey, Corralitos, Springfield, Madonna and Roache granges.

The San Juan Bautista Grangers presented the Aromas Grange with a golden chrysanthemum plant in honor of the occasion. The hall decorations carried out a gold and white theme with chrysanthemums and bouquets of daffodils. A three-tiered anniversary cake with the number "50" on top, was table centerpiece. Tables in the dining room were decorated with gold paper and yellow daffodils.

San Juan Grange presented us with a beautiful chrysanthemum potted plant.
